

Student Council Meeting 11 September 2026

Time 9.30 am **Council representatives** BN, AM, CD and HG

The council discussed the half term rewards trip, Friday enrichment, food and facilities. Members chose Play Factore as their preferred trip venue and shared suggestions for improving school life.

Rewards trip

Members considered several destinations. Alton Towers was ruled out because of travel time, and Apple Jacks was unavailable at this time of year. The council selected Play Factore, with its trampolines, inflatables, gaming and arcade activities. Booking arrangements are being followed up.

Friday enrichment

The council reviewed art, darts, pool and table tennis. Members suggested adding DJ sessions with a member of staff and badminton. Guitar strings and a tuner were also requested so the guitar can be used for music activities.

Food and school menu

A new menu is due to start the following week, reflecting earlier student requests. Students will try it and share feedback over the next two weeks. Staff will also explore how the Green Core food donation programme could support families who need it. Tea bags were requested for Willows.

Rewards and facilities

Members raised concerns that some green points may have been recorded as amber. Staff will look into the accuracy of the red, amber and green system. The council also asked for reliable access to sanitary products in the girls' bathrooms; these have now been stocked.

Action update

Action	Lead	Update
Create and display the Play Factore poster	Nic	Complete
Contact the pastoral team about Green Core arrangements	Nic	Contact made; awaiting reply
Ask Andy about tea bags and darts	Nic	To follow up
Book the Play Factore trip for student groups	Nic	To follow up
