## Let us know if you are in financial difficulty

We know that many families are going through a tough time and as a school we want to do everything we can to help you and your child. If you are struggling with your finances, please get in touch to let us know, as there may be things we can suggest which will help.

## Contact your local Citizens Advice Bureau or Family Hub

### Citizen's Advice Bureau (CAB)

You do not have to be a UK citizen to get support from your local CAB; you just need to be a resident of the local area. The CAB can help you with:

- Getting benefits or organising other financial support
- Accessing support for essential costs (food, bills, rent)

Visit the [Citizens Advice](#) website or contact your local branch to book an appointment.

Telephone number: 0808 278 7993. Address: 89 Sankey St, Cheshire, Warrington WA1 1SR

### Family Hub

Contact your local Family Hub to get help accessing all the support you might need as a family.

## Check you are paying the right amount of tax

Make sure you are on the right tax code. If you are not, you might be due a refund. Use the [Money Saving Expert's](#) free tax code calculator to find out.

---

## Claim any benefits you are entitled to

Use one of these benefits calculators to determine whether there are any benefits you could be claiming:

[Turn2us](#)

## [Policy in Practice](#)

[Support for migrant families](#) – use this calculator if you are a migrant family, or if you have no recourse to public funds (meaning you are not entitled to the majority of welfare benefits)

You may be able to get benefits paid early if you need cash urgently – this is known as ‘a short-term benefit advance’. You will need to contact the Department for Work and Pensions (DWP).

Telephone: 0800 169 0190. Address: Nolan House, 10 Mersey St, Warrington WA1 2BL

## **Check you have received all the government’s cost-of-living payments**

The government’s [cost-of-living payments](#) are available for those receiving certain benefits or tax credits. You do not need to apply for these – if you are eligible, the money should go straight into your account.

If you think, you are due a payment but have not received one, [report a missing payment](#) to the government.

**Be aware of scams!** If you receive any emails, texts or phone calls asking you to fill in an application form or asking for your bank details to receive a cost-of-living payment, **do not talk to them or send a reply**. Get more information on [cost-of-living scams](#) on the Money Saving Expert’s website.

## **Find out what help you can get with your energy bills**

Take a look at these resources from the [British Gas Energy Trust](#) and the [Money Saving Expert](#).

---

## **Check if your child is entitled to free school meals (FSM)**

If your child is eligible for FSM you need to get them registered. This will allow them to get a free meal at school and, as a school, we will get extra funding (known as the pupil premium) to support your child’s learning.

Go to [this government website](#) to check if your child is eligible.

## **See what other support you can get from your local authority**

<https://www.warrington.gov.uk/>

Local authorities have many schemes that you might be eligible for, including:

The [Holiday Activities and Food Programme](#) – access to food and activities over the school holidays. Note that if your child is eligible for free school meals (see above), they’ll also qualify for this programme

## **Get free or low-cost food**

If you are worried about not having enough food to feed your family, you are not alone. There are a number of places offering support.

If you have a child under four, and meet the eligibility criteria, you may be entitled to [healthy start food vouchers](#)

Find your local food bank: [Bankuet](#), [The Independent Food Aid Network](#), the [Trussell Trust](#), or your local [community fridge](#)

Use food waste apps and websites like [Olio](#) (for free food and household items from your local community), [Too Good To Go](#) (for low-cost food from local restaurants), or [Low Price Foods](#) (food that has passed its best-before date, but is still safe to eat)

Become a member of a community shop. These organisations sell food to their members at a reduced price. Some shops are free to join if you meet certain criteria, and others ask for a small contribution.

Find out if there is one near you by checking these websites: [Community Shop](#), [Your Local Pantry](#), [Community Grocery](#)
